RECOMMENDED STAND CONTRACTORS

VIV SELECT INDIA 2027

VIV recommends stand contractors that have a proven track record.

• While we suggest specific stand contractors, you are free to work with any provider of your choice. However, please note that if you choose a different stand contractor, VIV will not be able to intervene or provide assistance should any issues arise. The responsibility lies entirely with your company.
• We advise you to always request multiple quotations to ensure you receive the best offer in terms of quality, service and pricing.
• VNU Exhibitions Europe/VIV does not receive any commission or financial compensation for the services booked with our recommended partners. We are not in favor of such actions and are committed to supporting our exhibitors in securing fair pricing.
